

## STUDENT DIGITAL IDENTITY – THE UL-ID

Every student at the University of Ljubljana receives their digital identity called the UL-ID. Student digital identities are a part of the Slovenian digital identity federation ArnesAAI. The standard form of an UL-ID username comprises of two letters and four digits followed by @student.uni-lj.si (e.g. ab1234@student.uni-lj.si).

### Obtaining the UL-ID

Newly registered students can obtain their UL-IDs after 1<sup>st</sup> October at the ID Portal website: <https://id.uni-lj.si>. Students that have been registered at the University of Ljubljana in the previous years and do not have a currently valid UL-ID will receive their UL-IDs from their faculty's student office.
